WELCOME

PHOENIX DANCE TEAM

Welcome to Phoenix Dance Team!

As we embark on Season 3, 2025, I am thrilled to welcome both new and returning dancers to our growing community. At Phoenix Dance Team, we are more than a dance studio—we are a space for growth, creativity, and belonging.

Dance has been a transformative part of my life. It's given me confidence, resilience, and a sense of purpose. It has been my greatest teacher, showing me how to persevere, embrace challenges, and find joy in every step of the journey. My dream in creating Phoenix Dance Team was to pass those same lessons on to my students and build a space where they feel safe, supported, and inspired to reach their potential.

Our mission is to deliver exceptional dance education that builds confidence, fosters resilience, and inspires a lasting love for the art of dance. We believe in creating a safe, inclusive, and encouraging environment where every dancer can thrive both artistically and personally.

My vision is to guide each dancer on their unique journey—whether they are discovering dance for the first time or advancing their skills. I want every student to leave class feeling stronger, more confident, and deeply valued. Dance is not just about steps; it's about learning life skills, building friendships, and creating memories that last a lifetime.

We are committed to excellence in technique, performance, and personal growth. At Phoenix Dance Team, we celebrate progress, effort, and dedication while nurturing creativity and individuality.

Thank you for trusting me and choosing Phoenix Dance Team to be part of your child's journey. I'm excited to build on the progress and success of the past two seasons as we continue to grow in Season 3. If you have any questions or need assistance, please feel free to reach out at any time.

Dance Programs

At Phoenix Dance Team, we offer three distinct programs to suit the diverse needs of our dancers, each designed to help them grow, excel, and achieve their goals.

RECREATIONAL STREAM

Our Recreational program is all about fun, vibrancy, and inclusivity. These classes are designed for students of all ages and abilities, offering a wide range of dance styles. It's the perfect environment for those looking to enjoy dance while improving their skills in a supportive and welcoming setting.

DEVELOPMENT STREAM

The Development program is a bridge between Recreational and Elite. It focuses on progressing students' technical abilities and helping them build the foundation they need to reach their next level. It's ideal for students looking to further refine their technique and prepare for more advanced training or competition.

ELITE STREAM

For students who are passionate about competition and pursuing excellence, our Elite program offers specialized training to push them to their highest potential. This program is designed for those serious about competing and excelling in the dance world, with a focus on technique, performance, and competition preparation.

Introducing In-House

EXAMS

After 20 years of teaching in the dance industry, I've seen firsthand the incredible growth, confidence, and skills that structured assessments can provide. That's why, in 2025, I'm excited to introduce in-house exams for ballet, tap, and acrobatics at Phoenix Dance Team.

WHY EXAMS?

Exams are about so much more than just technique—they're a chance for students to set goals, stay motivated, and experience the pride that comes with achieving something they've worked hard for. They teach dedication, resilience, and focus, all while building confidence both in and out of the studio.

WHAT MAKES OUR EXAMS DIFFERENT?

These exams will take place in a familiar, supportive environment, designed to encourage growth rather than create stress. Every dancer is assessed with positivity and care, celebrating progress and effort while giving constructive feedback to help them continue to improve.

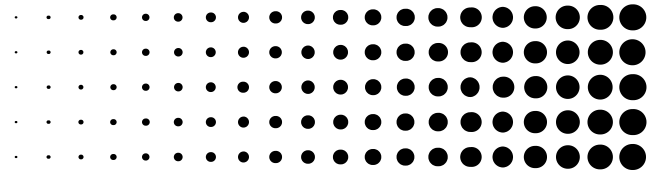

THE BENEFITS FOR YOUR DANCER

- **Personal Growth:** Exams build discipline, determination, and time-management skills.
- **Confidence Boost:** Achieving milestones helps students feel proud of their hard work.
- **Celebrating Success:** Dancers will receive personalised reports and certificates to mark their achievements.
- **Goal-Setting Skills:** Exams teach students how to work towards and achieve goals—a skill that extends far beyond dance.

I truly believe these exams will help our dancers develop not only as performers but as confident, motivated, and resilient individuals. I'm so excited to bring this opportunity to our students and can't wait to see them shine!

PARENT TESTIMONIALS

Miss Tara - more than a dance teacher! Miss Tara is supportive, dedicated, kind & humble. Her approach with the kids is nothing short of fantastic. Our little girl loves going to dance lessons and is enthusiastic to practice at home. Miss Tara takes a genuine interest in her students and encourages them to continuously improve.

Thank you for opening and being the heart of Phoenix!

I really have no words to express how much Miss Tara means to our family. My youngest daughter has danced with Tara since she was 2 years old and is still loving every minute with Tara 6 years on! It is the highlight of our week. My eldest daughter started with Tara this year and has absolutely thrived with confidence, happiness and self worth - all you can ask for for your teenage daughter. Phoenix Dance Team is a place to feel loved, supported, included and ofcourse to dance! Best dance teacher hands down. Tara is caring, passionate and dedicated to making her team part of her family which is exactly how you will feel! A million stars from us.

When I enrolled my 4 year old daughter in to dance, I wasn't sure what to expect. From day one she fell in love and I strongly believe that it was because of the warm, nurturing and safe environment Miss Tara provided for her. Her confidence has grown, as has her passion for dance. She is excelling beyond any of my expectations and has made so many genuine friendships along the way. We can't thank and recommend Miss Tara enough.

PARENT TESTIMONIALS

She doesn't just teach dance- she teaches valuable life lessons. My daughter has learnt the importance of resilience, teamwork and believing in herself, all while having fun and building friendships Tara is an incredible role model, and we feel so lucky to be part of this dance family.

Miss Tara at Phoenix Dance Team is absolutely incredible. She has taught my two girls so much in such a small amount of time in dance & in confidence... It is really amazing watching not just my kids faces light up when in her classes, but the rest of the kids aswell. She shares such special bonds with each child and really gets to know them and how to cater to their dance ability.

Phoenix Dance Team has been an amazing experience for my daughter since starting her dance journey last year. Miss Tara provides a supportive, structured and enjoyable atmosphere for all the children with a variety of classes each week. Tara's dedication, passion & skill for teaching dance is above and beyond my expectations, My daughter loves attending classes each week & her enthusiasm and growth in such a short time is a testament to Tara and her skills and dedications to her students. I wouldn't go anywhere else and would strongly recommend Phoenix Dance Team to anyone looking for dance classes in the Wollondilly.
